

Gympass

Improved Digital Plan for your employees!

March, 2023

Myfitnesspal – one of the best nutrition apps in the world – and **Fizzup** – the award-winning app for personalized workouts at home – are now part of the Digital Plan as of April 25th.

[These new apps will replace Nootric and NEOU in the Digital Plan – the latter will be available from the Starter plan].

Your employees impacted by this change will be notified on March 21st and receive any assistance they might need from our customer experience team.

The Digital Plan just got **way** better!

Check out the new offering
